

## Need to Unravel the Complexities of Canadian Tax?

*Ryan Makes it Easy.*

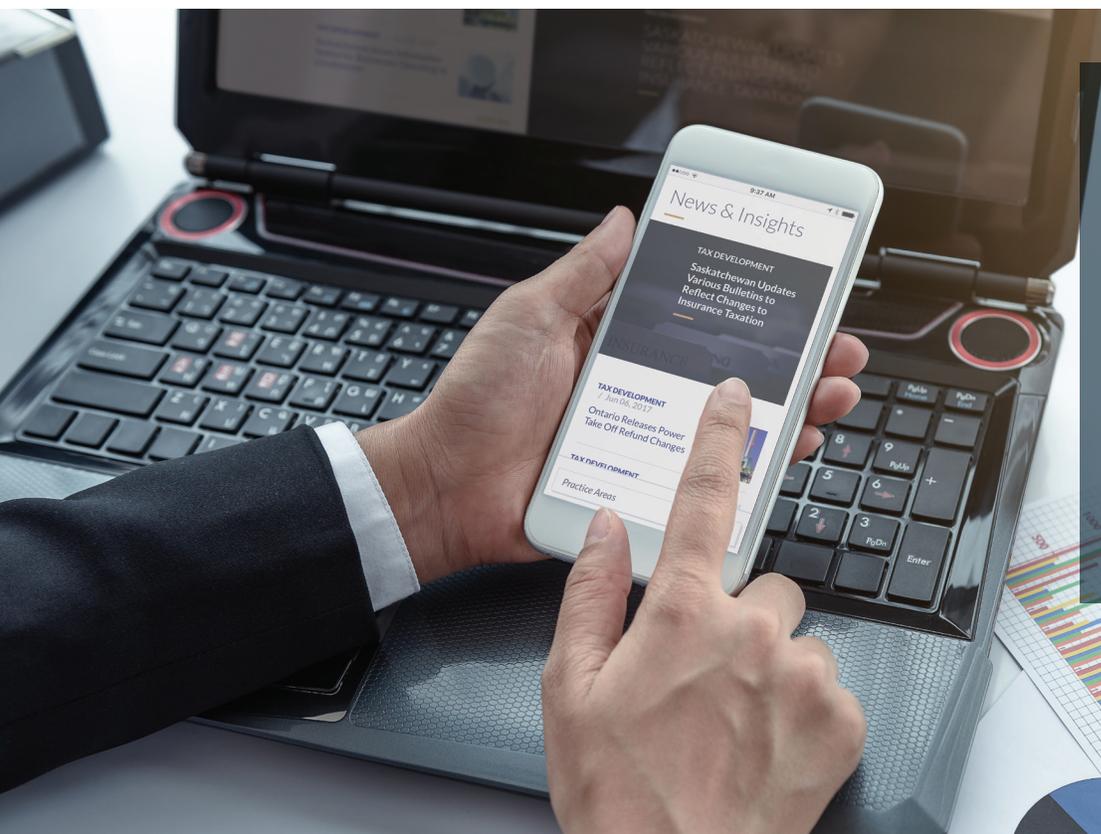

No doubt about it. Canadian sales taxes are complex and ever-changing. To keep payments minimized for your organization and stay in compliance, financial managers need access to information that is not only complete and timely—but also trusted.

That's where Ryan clients have an advantage.

Whether in print, online, or in human terms, Ryan maintains the most comprehensive knowledge bank of Canadian sales tax information in the industry.

We don't just compile it. We create it. Each year, Ryan analyzes tax transactions at more than 1,200 Canadian organizations and answers over 5,000 *TaxDirect*® questions. Ryan experts see and hear things others don't. They identify issues, exposures, risks, and savings opportunities overlooked by other consulting firms.

How do you benefit? For clients only, Ryan packages this knowledge into a variety of formats and services to meet your requirements. It's just one more way Ryan makes Canadian sales taxes a lot easier for financial managers.

### The Industry's Trusted Source

Leading publishers and professional groups continually call upon Ryan's knowledge. Whether the request is to reprint an article, reference a technical paper, author a book, or lead a seminar, the overriding motivation is always the same: to access the best Canadian tax information from the most trusted source.

**The best information — in the right format, at the right time.**

Ryan knowledge is disseminated into a variety of formats that make it fast and easy for professionals to access the information they need and act proactively on emerging issues.

› **Books and Articles**

Ryan currently authors *Value-Added Taxation in Canada: GST, HST, and QST*, published by Wolters Kluwer Canada.

In addition, Ryan frequently authors articles which are published in professional journals and newsletters, including:

- Thomson Reuters' *GST & Commodity Tax*
- FEI Canada's *Finance and Accounting Review*

› **Journals**

The *Ryan Sales Tax Review*™ is among the most respected journals of its kind in the industry. Published quarterly, it focuses on timely issues faced by professionals dealing with Canadian commodity taxation.

Other publishers regularly reprint articles originating from the *Ryan Sales Tax Review*™.

› **Technical Papers**

As a recognized source of knowledge, Ryan technical papers have been presented at many CPA Canada Commodity Tax Symposiums.

› **Ryan TaxDirect®**

Through our clients-only hotline, Ryan responds live to over 5,000 sales tax questions per year—many times more than any other service of its kind. Each answer is fully researched, verified, and documented, resulting in a fully searchable Q&A database that is unmatched in the industry. So we not only have the answers, we have the right answers at our fingertips.

**KEEPING YOU UP-TO-DATE**

No one stays on top of tax issues quite like Ryan. When there is a significant change in the legislation, federally or provincially, you're alerted by email—often within 24 hours. The latest tax developments are also sent regularly by email and posted online under News & Insights at [ryan.com/canada](http://ryan.com/canada).

**HUMAN EXPERTISE**

Ryan sales tax professionals are second-to-none in the industry. We have more than 80 on staff that conduct reviews, write articles and books, and provide fast answers to client questions. It's the largest team of sales tax experts in Canada under one roof—dedicated to helping clients benefit from our vast knowledge base.

Ryan ULC provides clients with tax consulting, recovery, compliance, advocacy, technology and other client-related professional services. Ryan ULC is a constituent entity of Ryan International, a Swiss Verein. Ryan International is a Swiss Verein whose member firms and constituent entities form a leading network of tax advisory and consulting firms, each of which may be licensed to use the name "Ryan" in connection with providing tax advisory and consulting services to its clients. The member firms of Ryan International and their constituent entities operate throughout North America, Europe and Asia in accordance with local regulatory requirements but are not a part of a single international partnership. The responsibility for the provision of services to a client is defined in the terms of engagement between the client and the applicable member firm or constituent entity. Neither Ryan International nor any member firm or constituent entity of Ryan International is liable or responsible for the professional services performed by any other member firm or constituent entity. Ryan International is not itself engaged in the practice of providing professional services. Rather, it is an international umbrella entity organized as a Verein under Swiss law. Not all member firms and constituent entities provide the full range of services mentioned within this brochure. "Ryan" and "Firm" refer to the global organizational network and may refer to one or more of the member firms of Ryan International, each of which is a separate legal entity.
